

The explosion of computing driven location based applications in the past few years has revolutionized the way we live and work. COM.Geo 2011 is the 2nd international conference and exhibition on computing for geospatial research and application with focuses on the latest computing technologies for multidisciplinary research and development that enables the exploration in geospatial areas. COM.Geo conference is an exclusive event that connects researchers, developers, scientists, and application users in both computing and geospatial fields.

Innovative research and application technologies are the brightest spotlights at COM.Geo conference.

Call for Submissions

COM.Geo is a leading-edge conference for computing for geospatial research and application. We invite you to submit your research or application work to the following programs. **Suggested topics include all computing, geospatial, and related applications.** For more details, please visit the website at <http://www.com-geo.org>.

- Full Papers
- Short Papers
- Tech Talks
- Demo Talks
- Panels/Panels+
- Posters
- Courses
- Invited Sessions
- Workshops

Special Sessions

COM.Geo 2011 would like to invite you submit proposals for special Panels/Courses/Workshops/Invited sessions on the following topics, but not limited to:

- 3D GIS Development based on Google Earth, Bing Maps, WorldWind, or ArcGlobe and ArcScene
- ArcGIS Server
- Augmented Reality
- Business Intelligence
- Geospatial Cloud Computing
- GIS in Transportation (Aviation, Highway, and Railway)
- GPU based Rendering/Image Processing
- Hazard GIS, Disaster Management
- LIDAR Data Processing and Visualization
- Location-Based Service (LBS)
- Mobile Internet
- OGC Sensor Web Enablement (SWE)
- Open Source Geospatial Software (MapServer, Geoserver, etc.)
- Places Apps (Google Places, Facebook Places, or Twitter Places)
- RDBMS Spatial (Oracle Spatial, Microsoft SQLServer Spatial, PostGIS, etc.)
- Smartphone (Android, iPhone, Windows Phone 7, Symbian, etc.) Geospatial Apps
- Virtual City/Smart City

Important Submission Deadlines

Full and Short Papers	[February 9, 2011, 11:59PM EST]
Courses/Panels/Panels+ Proposal	March 8, 2011
Tech Talks/Posters Abstract	March 8, 2011
Invited Sessions/Workshop Proposal	December 20, 2010
Demo Talks/Posters Abstract	April 10, 2011

Invitation to Sponsor & Exhibit

COM.Geo 2011 offers organizations maximum exposure and recognition with this great event. COM.Geo conference is composed of the following diverse programs:

- **Keynotes, Papers, Tech Talks, Panels, Invited Sessions, Posters, Courses, and Workshops**
- **Exhibition including Platinum Sponsor Keynotes and Demo Talks**
- **Multiple networking events** (Job Fair, Receptions, Banquets, Cruises, etc.)

Premier Opportunity to Meeting with Government Decision-Makers

COM.Geo will be held in Washington DC, where most of federal government agencies are located. You really can't afford to miss this premier gathering in DC. Your organization can be well positioned and highly visible for department managers and decision makers from government agencies. Take advantage of these great promotional opportunities and select the level of sponsorship best suited for your organization. More details are at the conference website.

- **Platinum Level Sponsor**
- **Gold Level Sponsor**
- **Silver Level Sponsor**
- **Standard Exhibitor**
